What Can Home Health Care from Country Manor do for You?

From medical care to personal assistance, our home health care services are catered to fit your unique needs.

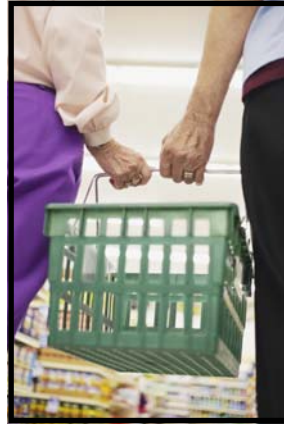

Home Health Care from Country Manor strives to keep you or your loved one independent in your own home for as long as possible.

Our services act as an excellent complement to support being provided by a family caregiver or a physician. Home health care can fill in gaps of care or support, or act as a replacement if the caregiver needs a break or is no longer available.

We can provide the following services in your home...

Skilled Nursing Care

- Assistance with medications
- Safety & health assessments
- Blood draws and injections
- Wound Care
- Education & Health Promotion

Homemaking Services

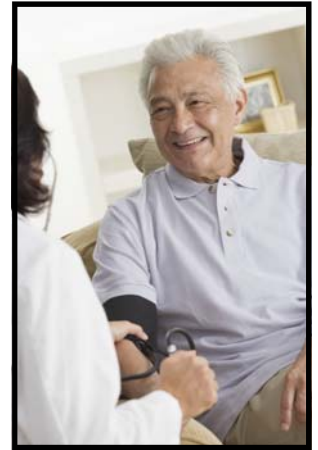

- Home cleaning
- Meal planning and preparation
- Laundry
- Errands & shopping

Personal Response System

The VoiceCare pendant is a personal response system that offers peace of mind 24 hours a day, seven days a week for those unexpected emergencies

Home Health Aide Services

- Assistance with bathing and showers
- Assistance with dressing, grooming, and hygiene
- Hair and nail care
- Companionship
- Assistance with transfers, walking, and exercise programs

Physical, Occupational, Massage and Speech Therapy

- Wellness & Fitness Programs
- Home Safety Assessments
- Cognitive Evaluations and Retraining
- Work Injury Treatment
- Rehab following a hospital stay
- Strength and endurance training

Home Health Care service hours range from one to 24 hours per day
